Ben Zussman

22-YEAR-OLD IDF SOLDIER, fell in battle following the October 7th attacks. He writes in a letter left to his family: "I am writing this message to you on my way to the base. If you are reading this, something has probably happened to me. As you know me, there's probably no one happier than me right now. I was just about to fulfill my dream soon. I am grateful for the privilege to defend our beautiful land and the people of Israel."

May his memory be a blessing.
